

MASTER 826 KXK PRO

Made in Germany

TECHNICAL DATA

standard:	works standard
lay direction:	ordinary lay, lang lay
surface:	bright, galvanized
inlay:	steel core
outer strand:	8
compacted:	yes
strand:	26
length outer wire:	208
fill factor:	0,65
spinning factor:	0,8
production tolerance:	-0% / +5%
ECN-category (ISO 4309):	9
